(Dated for Reference February 10, 2022)

Purpose

The Audit Committee (the “**Audit Committee**”) of the Board of Directors (the “**Board**”) of Synex Renewable Energy Corporation (the “**Company**”) is appointed by the Board to assist the Board in fulfilling its oversight responsibilities. The Audit Committee’s primary duties and responsibilities are to monitor: (a) the integrity of the financial statements of the Company, (b) the external auditor’s qualifications and independence, (c) the performance of the Company’s external auditor, (d) management’s reporting on internal control, and (e) the compliance by the Company with legal and regulatory requirements.

Although the Audit Committee has the powers and responsibilities set forth in this Charter, the role of the Audit Committee is oversight. The members of the Audit Committee are not full-time employees of the Company and may or may not be accountants or auditors by profession or experts in the fields of accounting or auditing and, in any event, do not serve in such capacity. Consequently, it is not the duty of the Audit Committee to conduct audits or to determine that the Company’s financial statements and disclosures are complete and accurate and are in accordance with International Financial Reporting Standards (IFRS) and applicable rules and regulations. These are the responsibilities of management and the external auditor.

Committee Membership

The Audit Committee shall consist of no fewer than three members, all of whom must be independent directors, as provided for in multilateral instrument 52-110 – “Audit Committees”. Each member of the Audit Committee shall be financially literate. For purposes of this section, a director shall be deemed to be “financially literate” if he or she has the ability to read and understand a set of financial statements at a level of complexity of accounting issues that can reasonably be expected to be raised by the financial statements of the Company.

The members of the Audit Committee will be appointed or reappointed by the Board following each annual meeting of the Company’s shareholders. Each member of the Audit Committee will continue to be a member of the Audit Committee until his or her successor is appointed unless he or she resigns or is removed by the Board or ceases to be a director of the Company. Where a vacancy occurs at any time in the membership of the Audit Committee, the Board may appoint a qualified individual to fill such vacancy and must appoint a qualified (“financially literate”) individual if the membership of the Audit Committee is less than three directors as a result of any such vacancy.

Meetings

The Audit Committee shall meet as often as it determines, but not less frequently than quarterly. Any member of the Audit Committee or the external auditor may call a meeting of the Audit Committee. At all Audit Committee meetings a majority of the members shall constitute a quorum. The acts of the Audit Committee at a duly constituted meeting shall require the vote of a majority of the members present provided. In addition, a consent resolution or other instrument in writing signed by all members of the Audit Committee shall avail as the act of the Audit Committee. The Audit Committee shall meet periodically with management and the external auditor in separate executive sessions to discuss any matters that the Audit Committee or any of these groups believe should be discussed privately. The Audit Committee may request any officer or employee of the Company or the Company’s external legal counsel or external auditor to attend a meeting of the Audit Committee or to meet with any member of, or consultant to, the Audit Committee.

The members of the Audit Committee shall select a chair from among their number who must be an independent director. The chair will preside at each meeting of the Audit Committee and, in consultation with the other members of the Audit Committee and management, shall set the frequency and length of each meeting and the agenda of items to be addressed at each upcoming meeting. In addition, at the first meeting held following each annual meeting of shareholders (the “**First Meeting**”), the chair, in consultation with the other members of the Audit Committee, shall determine the list of items to be addressed by the Audit Committee during the coming year (the “**Annual Agenda**”).

The chair shall ensure that the agenda for each upcoming meeting of the Audit Committee is circulated to each member of the Audit Committee as well as each other director in advance of the meeting, and that the Annual Agenda is circulated to each member of the Audit Committee as well as each other director not later than five business days after it is finalized (which shall be not later than five business days after the First Meeting).
